Or, maybe you are looking though this selection of Danish designed head coverings because headwear is part of your daily dressing routine and that you, due to Alopecia, are bald and beautiful.

We welcome you all and are truly proud to be able to introduce you, regardless of your situation, to a wide selection of carefully constructed headwear designed to give you a chance to be imaginative, courageous and most importantly to be, the beautiful you...

CHRISTINE HEADWEAR
BAMBOO COLLECTION

The bamboo-viscose products from Christine Headwear are made in the unique and functional Caretech® Bamboo quality.

Bamboo-viscose fabric has many fantastic features and the soft and comfortable quality is actually used to form the largest part of the Christine Headwear product range.

The Caretech® Bamboo from Christine Headwear is supremely soft, silky and luxurious to the touch. It is breathable and thermo-regulating so you remain comfortable and dry during both summer and winter temperatures. The fabric is more moisture absorbent than cotton and quickly removes the moisture from the skin and releases it.

Further the eco-friendly Caretech® Bamboo products are extremely gentle to wear and highly suitable to use against sensitive skin.
